Russian Kistanov is leader

Three days of sailing, four races completed and Russian Arkadiy Kistanov is still in front position of Open Finn European for seniors and juniors being underway in Split. Although he is still junior 70 other sailors from 30 countries are at this moment looking at his stern.

Light SE wind enabled Race Committee to give the start for only one of two scheduled

races for today. Among domestic sailors unstable sailing conditions were best used by Milan Vujasinovic - Dugi (JK Split) who finished 4th. Popular Dugi after four completed races keeps 9th overall, just back of Ivan Kljakovic-Gaspic (JK Labud) who is 8th and who finished fourth race as 15th.

- It has been exceptionally difficult under these conditions, we started with light

SE wind that has been gradually decreasing, but what was even worse it has been shifting clockwise- we are acknowledged by Tonci Antunovic one of the key man in RC.

- Under such unstable conditions some sailors gain for the difference of some others, but tomorrow is a new day- he added, announcing for Friday start at 11:00 a.m. and hoping for three races as forecast is predicting increasing SE wind.

Illustration of difficult conditions is that start of 4th race was successful after three attempts. Two times RC recalled the fleet and finally third start at 12:40 was successful. Estonian Deniss Karpak needed about one hour under variable 10kn SE wind to pass the finishing line as first. Hungarian Zsombor Berecz, holding in pocket visa for next Olympics under coaching of Luca Devotti, entered second. Czech Ondrej Teplyjaj counts position 3 and Milan Vujasinovic entered as 4th.

So now somewhat on half way to the end overall rank is:

1. Arkadiy Kistanov (RUS), 2. Josh Junior (NZL), 3. Ioannis Mitakis (GRE), 4. Michele Paoletti (ITA), 5. Andrew Murdoch (NZL), 6.

Zsombor Berecz (HUN), 7. Edward Wright (GBR), 8. Ivan Kljakovic- Gaspic (CRO YC Labud), 9. Milan Vujasinovic (CRO YC Split), 10. Jake Lilley (AUS), 11. Nenad Bugarin (CRO YC Labud), ... 21. Josip Olujic (CRO YC Labud), 46. Tudor Bilic (CRO YC Trogir)

PARTY

YC Labud as Open Finn European host takes care not only of competition itself but also takes care that sailors and others have pleasant time ashore. Wednesday early evening, just after the race, was reserved for social reunion with food and beer served. Ex water polo player Zoran Kljakovic – Gaspic, nicknamed Medo (Bear) and nowadays recognized cook from Solin nearby Split came with his team and took care of barbecue. Light air spread the appetising smell all over club marina announcing to hungry and tired sailors what's next on the programme.

After meal had been consumed party continued supported by the DJ Jasmin Gaši to whom sailing is not unknown – he is one of the pioneers of windsurfing in Split.

Thanks to Ivica and Reno Bilic good sound and top light show were provided so Club plateau was for next two three hours crowded with people having a good time. Anyhow having in mind that tomorrow is a new racing day the competitors and coaches left party rather early.

The title of European Champion has been too challenging to spoil the chances because of the party.

MIRA BOBAN, YC Labuda PRESIDENT

Preparations for big competition performed through several past months seems are giving result, as everybody, at least until this moment, is expressing satisfaction with organization.

"I am happy that so far everything goes well as we have planned. Hopefully it will be like that until the end of Championship, and my expectations are based on our experience in organizing such events in past." – quotes Mira Boban, YC Labud president.

She is first lady president in 91 years history of YC Labud and she took this opportunity to express thanks to all members and friends of the Club who has enabled that everything functions as Swiss watch.

"Without our members, our volunteers and our Club employees who are on disposal 24 hours a day, nothing like this could be organized. Their attitude towards sailors, coaches, judges and IFA representatives and their help in every respect has been valuable and I have,

on behalf of Club Managing Board, to sincerely thank to all of them."- concluded Mira Boban wishing to sailors good sailing conditions during remaining days.

Another experienced sailor and regatta organizer Karlo Kuret tells that he has confirmation that YC Labud has know – how in these matters.

"So far it goes well, and only what we need is some more knots of wind. You know that you are performing well the moment you hear nice words from the first lady of the class (Corinne Mckenzie, IFA Executive Director). Our dear friend is for the fourth time here and she pointed that in all occasions Labud succeeded to be good host and that succeeded in creating nice overall atmosphere among participants."

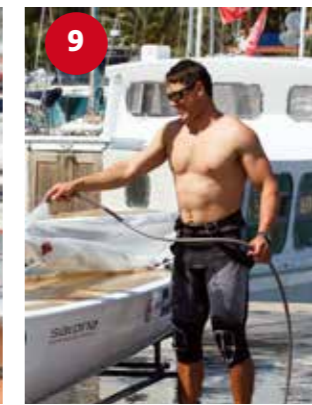

Hoping that good expressions of present guests are not a courtesy only Labud is proud of being able to organize the sailing events on high international level.

MISTER FINN EUROPEAN!

We take it for granted that legend how Finn sailors are the most handsome sailors is the truth and we are going to test this theory in practice.

We shall daily publish our competitors' photos and jury composed of ladies only shall in due time decide who is the most handsome Finn sailor of 2015 European Championship.
